**Re: Draft Budget of Income and Expenditure for the year ending 31st
December 2010.**

Introduction

I enclose for your consideration and adoption the draft Budget for the year ending 31st December 2010.

The Minister for the Environment, Heritage and Local Government by Circular Fin 11/2009, dated 12/11/2009 has determined the period 24th November 2009 to 13th January 2010 as the prescribed period for the 2010 budget meeting.

At the September meeting of the Council it was agreed to hold the statutory budget meeting on Friday 18th December 2009. The process of considering, adopting the budget and determining the rate on valuation must be completed within a period of 21 days beginning on this date. In effect the process must be completed by the 7th January 2010. In accordance with the Local Government Act 2001 the Corporate Policy Group was consulted and advised of the assumptions made in relation to the budget preparation. The budget has been prepared in the new service structure format which has been devised to capture the breadth and scope of local authority provided services.

The draft budget has been prepared in an extremely difficult and very challenging economic environment. The estimated reduction in the revised 2009 Local Government Fund of approximately €1,054 million presents a major challenge to the Council in meeting our costs. There are significant reduced income sources across a number of headings, particularly roads, planning and the environment. This, together with a sharp downturn in economic activity, combines to make this one of the most difficult budgets to balance for many years.

In preparing the budget I have implemented a 10% reduction in many programmes. Reductions in payroll costs have been achieved through the deployment of a range of measures including the non-renewal of contracts for temporary and contract staff, the management of vacancies, the non replacement of staff and a reduction in premium pay. There has been a general reduction of the order of 8% in professional fees paid to consultants. Every effort has been made to minimise the burden on local business and consumers by ensuring there are no increases in commercial rates and charges for service.

An examination of all expenditure to substantiate the necessity for the current scope/scale of all work programmes across all divisions has been carried out.

Knockmay Development Project

The contract for the community building in Knockmay was signed on 5th November 2009 and work has commenced on site. Construction is expected to last 15 months. Funding has been obtained from the HSE, DEHLG, Laois Partnership, Portlaoise Parish, Family Resource Centre and Laois County Council towards this project. This project represents an excellent example of collaboration and shared services between public agencies to progress social inclusion.

The works for Phase 1 of the Development Project at Oakleaf Place have now been completed. The last residents have returned to their homes. Work progressed on time and within budget.

An evaluation of Phase 1, Oakleaf Place and detailed unit costs for Cherrygrove and Hillview Drive are with the Department of the Environment for consideration.

Review of the County Development Plan 2006-2012

The Council commenced the information gathering for the review of the County Development Plan in 2009. This work included baseline information gathering for the Strategic Environmental Assessment (SEA) and for the review of the Housing and Retail Strategies.

The statutory review of the County Development Plan 2006-2012 will commence in January 2010. This is a 2 year process and will require a number of statutory assessments including SEA, Appropriate Assessment and Flood Risk Assessment, etc.

Planning Enforcement

The Planning Enforcement Section has been strengthened over the last two years. As a result, we are now more successful in dealing with unauthorised developments. Enforcement proceedings are, also, used to ensure estates are completed to the required standard. There are cost implications for the Council and provision has been included in the draft budget for this purpose.

Building Control

From January 1st 2010, there is a statutory requirement under the Building Control Acts for every new commercial development to apply for a Disability Access Certificate. The assessments will be carried out by staff in the planning section.

Taking in Charge of Housing Estates

Good progress has been made in this area in 2008 and 2009. Work will continue in 2010 on reducing the backlog of estates to be taken in charge. A sum of €50,000 has been included for this purpose in the draft budget.

County Development Board

The Laois County Development Board continued its work of promoting the economic, social and cultural development of the County in 2009.

A Review of the County Development Board Strategy ***“Realising our Potential”*** for period 2009 - 2012 was carried out and priority was given to the following themes

- Enhancing Employment Opportunities for All
- Promoting Laois as a Child Friendly County
- Laois will retain and develop the viability of its towns and villages.

Three new Task Groups were established to carry out the work of the Board: Economic Development Task group, Children & Young Persons Task group and Town & Village Viability Task group.

The membership of the Board was also reconstituted.

The Social Inclusion Measures Group reconstituted its membership, held regular meetings and a Networking Day on the theme of “Unemployment”.

Highlights of the year included:

- Pride of Place – 4 groups participated; 1 overall winner, 1 runner-up and Laois County Council won Best Local Authority Award.
- The carrying out of an Audit of Community, Arts & Sports Facilities for the County.
- The establishment of a Youth Council.
- The establishment of a Laois Local Drugs Network.
- 100% representative attendance by secondary schools at the annual Comhairle na nOg event.
- Laois Community & Enterprise Development Company
The Community & Enterprise section continued to support the Board and its sub committees.
- County Community Forum
Support was provided to enhance its participative role within the County.
- The holding of a Fusion Intercultural Sport and Recreational Day in Portlaoise in August.

The Board continues its work of developing a more cohesive approach among all its stakeholders in regard to a broad range of areas of service.

Social Inclusion

Significant progress has been achieved on the delivery of social inclusion and improving the quality of life for the marginalised groups in our communities. The Social Inclusion Measures Group reconstituted its membership throughout 2009, and work continued with supports to various targeted groups, e.g. Lone Parents, Older People, and Young People, etc.

A Traveller Enterprise worker was employed to work with the Travelling Community and implement the Traveller Strategy 2007 – 2009.

M7 Portlaoise to Castletown/M8 Portlaoise to Cullahill Motorway Scheme.

The motorway scheme covers the proposed routes of the M7 and M8 from the termination of M7 Portlaoise By-pass to beyond Borris in Ossory on the existing N7 and beyond Cullahill on the existing N8.

The contractor, CRG Celtic Roads Group, commenced work in October 2007 and it is anticipated that the road will be completed by June 2010.

N7 Castletown to Nenagh Scheme

This scheme consists of 36 kilometres of dual carriageway and includes bridges, junctions, a link road and ancillary works. The contractor, Atlantic Link, commenced work in 2008 and it is anticipated that the road will be completed in 2010.

Portlaoise Orbital Routes

The Council has been successful in delivering significant stretches of the orbital route. The Southern Circular Route from the Timahoe Road to the Stradbally Road is well advanced.

Portlaoise Interchange

The development of a 250-acre site at the Portlaoise Interchange (Togher) seeks to exploit the economic development potential of the key transport corridor, which runs through the County. This interchange will deliver the national spatial strategy that positions Laois and Portlaoise as a transport node and inland port.

Block A of the Enterprise Park and the National Train Care Depot are now completed. A new master plan has been agreed with the NRA and the DELHLG. Planning permission has been granted for all infrastructural services and a new motorway slip road. A Motorway Order has been prepared.

Portlaoise Main Drainage

The network contract was completed in February 2008. The D.B.O. Waste Water Treatment Plant contract commenced in 2007 and will be commissioned in early 2010.

Laois Towns and Villages Sewerage Schemes

The Wastewater Treatment Plant (DBO) contract includes new treatment plants for the towns of Abbeyleix, Clonaslee, Durrow, Mountrath, Rathdowney and Stradbally. Contract documents have been submitted to the Department of the Environment and 'Expressions of Interest' were sought from Contractors in February 2009. Five contractors have been shortlisted to tender. We are currently awaiting Department approval to proceed to tender stage for this contract.

Contract documents for the sewerage network contract were submitted to the Department in February 2009. We are currently awaiting Department approval to proceed to the tender stage for this contract.

Portarlington Water Supply Scheme

Advance contracts for the construction of three new well fields (Lough, Doolough and La Bergerie) have been completed and are now operational.

Expressions of Interest were sought in July 2008 for the construction of a new Water Treatment Plant and associated pipelines. Five Contractors have been shortlisted.

The contract documents have also been updated to the new form of Public Works Contract and were submitted to the Department earlier this month.

Portlaoise/Mountmellick Water Supply Scheme

An advance contract for the construction of a new well field at Eyne has been completed and is now operational. Borehole drilling and testing have, also, been completed at another nine borehole locations as part of the main Scheme.

Contract documents are currently being prepared for the main scheme. Part VIII's have been passed and land has been acquired for new reservoir at Kilminchy.

Portarlington/Emo/Killenard/Ballybrittas Sewerage Scheme

A draft Preliminary Report and EIS for this scheme was produced in August 2009 and a public information open day was held in the Portarlington Area office in October 2009. Consultation with statutory bodies and an Bord Pleanala on the EIS is now proceeding.

A temporary package treatment plant is currently being commissioned at the Portarlington Treatment Plant

Mountmellick Sewerage Extension

Mountmellick Sewerage Scheme Stage 1 (Improvements to existing treatment plant and pumping stations) was substantially completed in early December 2009.

A new package treatment plant is also presently being commissioned at the main Wastewater Treatment Plant site which will further increase the wastewater treatment capacity

A draft Preliminary Report and EIS for Stage 2 of the scheme was produced in September 2009 and a public information open day was held in the Mountmellick Town Council offices in October 2009. Consultation with statutory bodies is currently underway after which the EIS will be sent to an Bord Pleanála.

Graiguecullen Water Supply Scheme

A hydro-geologist has been appointed to find alternative sources of water in the Graiguecullen area. Production borehole drilling has taken place at two locations. These locations have demonstrated that sufficient quantities of water are available. These sources are currently being tested to determine the quality of the water

Enterprise Centres / Industrial Sites

Work on the Portlaoise Enterprise has recently been completed. The Centre contains six incubator units and eleven offices. Laois County Enterprise Board is the anchor tenant and 5 additional tenants presently occupy units/offices in the Centre.

Portarlington Enterprise Centre Ltd will be applying for planning permission for office accommodation adjacent to the Enterprise Centre in 2010.

Work on Phase 1 of the upgrade to Clonminam Business Park has been completed and further works will be carried out in 2010.

Work has been completed on the new access road to the National Enterprise Park at Togher and on the Western Interceptor Sewer which will accommodate future developments in the Togher area. The process to facilitate the slipway from the motorway into the Enterprise Park is currently underway.

Waste Management

The Council is continuing to work with the other midlands local authorities to ensure that the objectives of the Waste Management Plan for the midlands region are fully implemented.

A second Civic Amenity Site was opened in Portarlington at the end of June.

Cell 14 in Kyletalesha Landfill will be filled by mid 2010 and the construction of a new Cell 15 commenced in October of this year.

Because of the worsening situation with falling gate fees at the landfill from commercial waste operators (due to private sector competition, new restrictions on land-filling of biodegradable waste, increase in levy, reduction in waste volume produced because of recession, etc) we are continuing our process of examining private sector interest in the facility. Tenders will be invited in early 2010 and a report will be presented to the Council when the tendering process is completed.

Fire Service

A detailed design and cost plan for the proposed new fire station in Rathdowney were received from the Consultants in May 2009. These were submitted to the Department of the Environment in June 2009 with a request for approval to go to tender. The evaluation of the submission is ongoing and approval to go to tender is expected in 2010.

The "Initial Appraisal" report for the Stradbally project was submitted to the Department in May 2009. The Department has advised that it will be considered under future Capital Programmes.

Substantial resources continue to be made available in the Budget for ongoing training of Fire Service personnel.

Leisure Centres

Portlaoise and Portarlinton Leisure Centres continue to make a major contribution to the social infrastructure of the County and are operating very successfully during their second year of operation.

Funding was secured for the provision of floodlighting and fencing for the grass pitch at Portlaoise Leisure Centre. Tenders are currently being evaluated.

The Council continues to support the Ballinakill swimming pool.

Library Services

The Council has made great strides in developing the library service and continues to develop the branch network across the county. The construction of a new library in Mountmellick continued during 2009 with a completion date of December 2009, opening to the public in 2010. The fit-out of a new library premises in Ballylinan has been completed and will open in January 2010.

Playgrounds and Sports Facilities

New playgrounds were officially opened in Durrow (March 2009) and Mountmellick (July 2009). The Mountmellick development also included a multi - use games area. Under the Council's programme additional facilities in Rathdowney, Ballylinan, Borris-in-Ossory, Emo and Ballinakill will be considered in the coming years subject to funding.

Work was completed in 2009 on the provision of an eight lane athletic track on the grounds of the V.E.C. School off the Mountrath Road in Portlaoise.

Tourism Strategy

The Council continues to play a leading role in promoting the County as a National Events Destination by supporting large scale festivals such as the Laois International Golf Challenge, the Gordon Bennett International Classic Car Run, the Magnet Festival, the Halloween Howls Festival and the Rose of Tralee Regional Finals. The number of events has increased significantly over the past few years and filled bed nights throughout the County. The Council continues to strongly promote business tourism in County Laois.

Current Tourism projects which are ongoing are the production of the Laois Golf Pass, the publication of the Laois Events and Festivals Calendar, the upgrade of the Laois Tourism Website, the creation of cycling routes in the County and development of a bikers trail in the Slieve Blooms.

Heritage

During 2009, surveys were carried out of Habitats in the Slieve Blooms. "Wild things at School" written by Eanna Ni Lamhna was published in conjunction with Meath and Monaghan County Councils. Numerous awareness-raising activities were also carried out, including a full programme of public events for Heritage Week and Biodiversity Week and a teacher training course.

Arts

The following were highlights during 2009:

Laois School of Music

The school has an enrolment of 350 with 16 part time tutors. A new centre in Durrrow has developed with 50 pupils and 4 tutors.

Art House at Stradbally Courthouse

The tender report for this contract has been approved and the formal signing of the contract will take place in December 2009. This project includes a new library, residential art studios and community facilities.

Artists in Schools Programme

This programme was delivered to 14 schools giving them the opportunity to experience working with professional artists in a variety of art mediums.

Public Art

An artist has been selected and artwork is to be installed for the official opening in 2010 of Mountmellick Library.

Knockmay Regeneration percent for art project

A professional dance company worked with young people in the community on a performance piece for the Halloween Festival.

Midland Master Classes

Midland collaborative projects included the delivery of a series of professional development courses for artists to assist their career development.

Literary Programme

A series of creative writing workshops was held for adults and a seven week writer in residence programme with workshops for individual writers, and work in community centres, schools and libraries was held.

Leaves Literature Festival

The programme included writer's workshops, visits to schools, recording of Sunday Miscellany and performances in the Dunamais Arts Centre.

Áras an Chontae

The improvement works programme for Áras an Chontae will continue during 2010. The programme includes improved customer facilities at reception, further disabled access improvements and the refurbishment of the 3rd Floor, necessary on Health and Safety grounds. All financial and statutory requirements have been met with regard to same.

Midlands Energy Agency

This Council established the Midlands Energy Agency in early 2008, in co-operation with the other midlands local authorities and the Midlands Regional Authority. Excellent progress has been made in 2009 on identifying projects and programmes where savings can be made in energy usage. Tenders were invited for the supply of electricity to the largest energy-using plants in the region and the contract was awarded to Energia, with substantial savings being made by each local authority. Tenders were, also, invited for public lighting across the region. Work will continue on this project in 2010

External Audit Committee

The external audit committee comprises of two elected members and three external members. The Committee's role is advisory in relation to financial matters. The Committee met four times during 2009 and agreed a Work Programme and examined reports completed by the Internal Auditor and the Local Government Auditor.

Risk Management

A draft Risk Management Register for the organisation has been compiled and the risks identified are being evaluated.

Health and Safety

Health & Safety is an integral component of all our work programmes and is embedded in all our decision making processes. Additional financial resources relative to training will now be required having regard to the scale and nature of works being undertaken by direct labour.

Addressing issues highlighted by almost forty workplace inspections conducted by the Health and Safety Authority will, also, require additional financial resources. We continue to enhance and foster a culture of safety throughout all our diverse range of work activities by complying with the Safety, Health and Welfare at Work Act. 2005, and associated regulations in particular, the Safety Health and Welfare at Work (Construction) Regulations, 2006.

Disability

Actions drawn up in the Disability Implementation Plan 2007-2009 continue to be implemented. Examples of works completed include footpath modifications and access to burial grounds, libraries, leisure centres and public buildings.

HR, Payroll and Superannuation

A new software system to integrate and standardise the administration of HR, Payroll and Superannuation is currently being implemented, with two modules already successfully in place. The project will be completed in quarter 3 of 2010.

Water Pricing

Article 9 of the Water Framework Directive obliges governments to ensure pricing regimes take account of the principle of full cost recovery for water services. The Government's water services pricing policy framework further implements the 'polluter pays principle' and places a legal requirement on all local authorities to charge the full economic costs for water and waste water to all non domestic consumers.

The charges to be applied in 2010 are as follows:-

Water Supply:	(€1.00 per 1000 litres)
Waste Water:	(€1.45 per 1000 litres)

The charge for water has been reduced from €1.08 in 2009.

Car-parking charges

It is not proposed to increase the parking charges in Portlaoise, Mountmellick or Portarlinton in 2010. There will be no increase in the charge of two euro for all day parking in the Civic Plaza car park and the car park at the Mill, Portlaoise.

Commercial Rates

The proposed general annual rate on valuation for 2010 is €64.63, the same rate as applied in 2008 and 2009. It is the minimum required to balance the budget.

Local Government Fund

In 2008 this Council's General-Purpose Grant allocation was €19,360,800. For 2009 the initial Local Government Fund notified was €18,164,790, a reduction of 6.18% on the 2008 grant. The grant was subsequently reduced to €17,580,213.

This budget assumes a grant allocation of €16,526,000 (6% less than 2009).

Conclusion

In preparing the budget for 2010 every effort has been made to ensure that essential services provided by the Council are continued at a high standard and that the statutory duties of the Council are, also, complied with. I have, also, ensured that there are no increases for ratepayers and consumers. I am satisfied that the budget now before you achieves a fair balance in this regard and that the Council will be in a position to demonstrate progress in service delivery over the course of the coming year.

In addition to the revenue expenditure contained in this draft budget the Council has a significant capital programme that will impact positively on the economic, social and physical fabric of the County. A report (to issue under separate cover) will provide an overview of this indicative. It is essential that the Council continues to take a proactive and innovative approach to capital projects in order to boost the local economy and continue the positive development of the County.

The draft budget provides for revenue spending of €67,987,000 which represents a decrease of €5,599,000 over that provided in 2009. The estimated income is €41,130,000 leaving a net expenditure of €26,857,000 to be financed from the Local Government Fund of €16,526,000 (including the pension levy) commercial rates of €9,524,000 and an amount of €807,000 transferred from capital.

The detail of the budget provisions across each of the divisions is set out in the statutory tables and the main highlights are summarised in the following pages.

The adoption of the budget is a reserved function of the Council. It is a key decision as it effectively sets the level of spending for the year ahead.

I would like to acknowledge the support of the Cathaoirleach, Corporate Policy Group and Members over the past 12 months and I look forward to working in partnership with you in 2010.

The preparation of the annual budget is a detailed and demanding task. I wish to thank Mr. Gerry Murphy, Head of Finance, Ms Julie Bergin and their staff who managed and co-ordinated the process. I would, also, like to record my appreciation to the Directors of Services and their staff, both indoor and outdoor, for their help and co-operation over the past 12 months.

I recommend the adoption of the draft budget as presented and the determination of the general annual rate on valuation of €64.63.

Beannacht Libh
P. Carey
Bainisteoir

Division A – Housing and Building.

Estimated Expenditure	€10,456,000
Estimated Income	€11,381,000

Maintenance/Improvement of Housing Units

An amount of €766,000 was included in the 2009 budget for the maintenance, repair and improvement of Council housing stock. Additional funding of €210,000 was approved by the Department of the Environment and Local Government (DEHLG) in 2009 for remedial works to chimneys, replacement of kitchen units, solid fuel cookers and other reconstruction works.

An amount of €685,000 has been included for 2010.

Pre-let Repairs/Planned Maintenance

An amount of €380,000 is included for pre-letting repairs.

Housing Grants

An amount of €1,856,000 was provided in the Council's budget in 2009 for Disabled Persons and Essential Repair grants. In August 2009 the DEHLG increased the provision to €1,941,478. A further allocation of €157,313 was made in October 2009.

It is proposed to include an amount of €2,098,791 to fund the existing disabled and essential repair grant as well as the three new schemes, Housing Adaptation Grant Scheme for people with a disability, Mobility Aids Grant Scheme and the Housing Aid for Older People Scheme. Two-thirds or 80% (depending on the grant) of the expenditure will be recouped from the DEHLG. This provision will enable the Council to deal with all current applications and a substantial number of new applications.

Division B – Road Transport and Safety

Estimated Expenditure €14,091,000

Estimated Income €11,797,000

Road Upkeep and Improvement

The allocations for road upkeep and improvement are similar to that provided by the NRA and the Department of Transport in 2009.

It is proposed to provide a sum of €894,000 for County Roads Ordinary Maintenance, an amount of €100,000 for bridge maintenance on local roads, €50,000 for the taking in charge of estate and a special provision of €50,000 for roads damaged by work on the motorway.

Multi Annual Road Works Programme

A review of the Multi Annual Road Works Programme will go before the area meetings of the Council in January/February 2010.

Community Involvement Scheme

It is proposed to continue with the special Community Involvement Contribution Scheme and an amount of €40,000 has been provided as the Council's contribution towards the improvement of roads in Council housing estates. This will supplement the grant to be made available by the Department of Transport.

Division C – Water Services

Estimated Expenditure €9,132,000

Estimated Income €4,365,000

Water Supply

The amount of €2,256,137 is provided for the operation, maintenance and repair of water plants and networks. The budget takes into account the high element of fixed costs in the form of labour, energy and chemicals.

Amounts of €450,000 and €105,000 are included for water supplied by Carlow County Council and Tullamore Town Council. A provision has been included for water conservation in the amount of €70,000.

Waste Water Treatment

The amount of €1,431,015 is provided for the operation and maintenance and repair of waste plants and networks. €385,000 is included for the management of sludge in the various treatment plants.

€2,000,000 is included for the treatment plant in Portlaoise whilst €550,000 is provided for Carlow County Council for the treatment of wastewater in Graiguecullen.

The treatment of waste water, also, has a high element of fixed costs.

Division D – Development Management

Estimated Expenditure €2,893,000

Estimated Income €597,000

Forward Planning

An amount of €424,000 is proposed in 2010 for Forward Planning.

Development Management,

An amount of €771,000 is proposed in 2010 for Planning Control.

Planning Enforcement

An amount of €374,000 is proposed in 2010 for Planning Enforcement.

Industrial and Commercial Facilities

The Council continues to support and to co-operate with all local and national development agencies to promote the social and economic development of the County.

The amount of €34,000 has been provided.

Tourism Development and Promotion

An amount of €222,000 is being provided for tourism promotion and includes a contribution to East Coast and Midland Tourism.

Community and Enterprise Function

An amount of €349,000 is proposed in 2010 for the Community and Enterprise Function.

Heritage and Conservation Services

The sum of €164,000 is included for Heritage Services. The maximum grant of €72,000 from the Heritage Council is dependent on this level of expenditure.

Division E – Environmental Protection

Estimated Expenditure €9,614,000

Estimated Income €3,829,000

Landfill Operation and Aftercare

The sum of €3,836,000 is provided for waste disposal in 2010.

This provision is necessary for: -

- a) the operation of the landfill site to the highest standards in accordance with E.U. Environmental Directives,
- b) the phased recoupment of expenditure on capital works carried out in the landfill to date (€4,000,000 approximately),
- c) the loan charges required for works of approximately €3 million in accordance with E.P.A. licence requirements,
- d) the creation of a fund for landfill aftercare and restoration and
- e) the provision required for new cell development.

Litter Management

The budgeted provision of €359,000 for Litter Management covers the cost of the litter warden service, litter control initiatives and environmental awareness services.

Street Cleaning

A provision of €350,000 is included for street cleaning.

Waste Regulations, Monitoring and Enforcement

Significant funding is included for the monitoring of waste regulations (€131,000). A Waste Enforcement programme is included in the amount of €230,000. The Waste Enforcement Team has been very successful in dealing with unauthorised waste activities throughout the County.

Operation of Fire Service

The sum of €3,084,000 is included for the operation of the fire service.

Water Quality, Air and Noise Pollution

The amounts provided for phosphates, ground water protection and the enforcement of the Nitrates Directives represent the minimum amounts required for this Council to fulfil its obligations under Environmental legislation.

Division F – Recreation and Amenity

Estimated Expenditure €3,007,000

Estimated Income € 674,000

Leisure Facilities Operation

The Council will continue to provide financial support to the swimming pool in Ballinakil.

Operation of Library Service

An €1,514,500 is being provided in 2010 for Library Service Operations. Provision has been made for the new Library in Mountmellick.

The salaries of the staff assigned to the Prison Service will be recouped from the Department of Justice, Equality and Law Reform.

€100,000 is being provided for the purchase of books for Mountmellick Library.

The general provision for the purchase of books is, also, €100,000.

The €37,000 Library transfer to capital is for the renovations carried out to Abbeyleix Library.

Community, Sport and Recreational Development

The sum of €157,000 includes provision for shop fronts grants, grants to local Communities and Tidy Towns Committees and a fund for community projects amounting to €37,500.

€176,000 is provided for recreational development.

Operation of Arts Programme

€628,000 is being provided for this programme in 2010. This includes a contribution of €150,000 to the Dunamais Arts Centre.

Division H - Miscellaneous Services

Estimated Expenditure €4,206,000

Estimated Income €2,673,000

National Disability Strategy

An amount of €90,000 is included to enable the Council comply with the 2005 Disability Act and the 2006 Construction Regulations.

Division J - Central Management Charges

Estimated Expenditure €9,129,000

Estimated Income € 815,000

Expenditure in this area relates to services of a general nature, which cannot be directly related to a particular service, but which form part of the total costs of delivering services. These costs are summarised here and will be apportioned over the eight divisions. The basis for the apportionment is set out in the Local Authority Costing Manual.

Corporate Building Costs

The provision for maintenance and upkeep of corporate buildings covers the costs of maintaining Council offices at the Mill and Aras an Chontae, Portlaoise and the area offices of Portlaoise, Borris in Ossory, Mountmellick, Portarlinton and Graiguecullen.

Contingency Fund

A provision of €50,000 to deal with contingencies, which may arise, from time to time from weather conditions or other unplanned events is, again, included.

ADOPTED FORMAT OF BUDGET 2010

Laois County Council

TABLE A - CALCULATION OF ANNUAL RATE ON VALUATION

	Summary per Table A 2010				
	Expenditure	Income	Budget Net Expenditure 2010	Estimated Net Expenditure Outturn 2009 (as restated)	
	€	€	€	€	%
Summary by Service Division
