Commencement Notices Are Required For

- (a) the erection of a building
(b) the material alteration or extension of a building and
(c) a material change of use of a building
to which the Building Regulations apply, other than exempted development for the purpose of the Local Government (Planning & Development) Acts, 1963 to 2000.
- Any other works for which Fire Safety Certificates are required under Part III of the Building Control Regulations, 1997.

Notes for Completion of Form

- a valid notice should be completed fully and received **not less than 14 days and not more than 28 days** before the commencement of the works or the making of the material change of use
- a Commencement Notice must not be submitted until Final Grant of Planning Permission is issued
- if a Fire Safety Certificate is required the Fire Safety Certificate must be granted before submission of the Commencement Notice

Commencement Notice Fees

The Commencement notice fee shall be €31 or where the proposed works or the material change of use (as the case may be) relate to more than one building, and neither Part III of the Building Control Regulations, 1991 and 1994, apply to such works or buildings €31 in respect of each building. e.g. 10 houses, 10 x €31 = €310

The maximum fee payable in respect of a Commencement Notice is €3,810. Cheques should be made payable to Laois County Council. Where the Commencement Notice is invalid and cannot be accepted the Notice and the fee which accompanied the Notice shall be returned.

Residential Development Information (Section 2b)

EXPLANATORY NOTE

Total number of dwelling units (all phases): The total number of units (houses and apartments) for the entire residential development, i.e. all phases. Include single houses.

Total number of phases (not relevant for single houses): Give the total number of different phases of development for this project.

Phase for this commencement notice: A commencement notice should be given at the start of each phase of development. Insert the number of the particular phase that this commencement notice is relevant to, e.g. 1st, 2nd.

Number of units for this phase/commencement notice: The corresponding number of units (houses and apartments) for this particular phase. A single house should also be included here, as it will be commencing in the short/ medium term.

Numbers of the units for this phase/commencement notice: Please indicate the unit numbers (not house numbers) as the development charges will be paid by unit number and the unit number should correspond to the unit indicated on the Site Plan attached.

Commencement date for this phase: Commencement date of works for this particular phase of development.

(Proposed) end-date for this phase: Expected end-date for this particular phase of the development.
