**Policy Document on the 'Illegal Parking of Vehicles on  
Public Roads'**

**ADOPTED BY COUNCIL IN SEPTEMBER 2006**

## THE PROBLEM

Recent months have seen a significant increase in the illegal and highly dangerous practice of parking cars on public property and the public road side with a view to their sale.

This illegal practice is taking place at or in the vicinity of junctions, near bends, at graveyard car parks etc. The placing of cars for sale on public roads is contrary to the provisions of Section 71 of Roads Act 1993.

The Council is concerned that this practice is creating a serious hazard with dangerous traffic movements on the public road.

This illegal and dangerous activity has caused annoyance to the general public and to the elected members of the Council and generated a serious complaint from the Society of the Irish Motor Industry.

The Policy solution.

Implementation forthwith of the following policy initiative:

1. Any vehicle found offered for sale on the public roadside will be affixed with a sticker instructing its removal **within 24hours**. If the vehicle is not removed, or if the same vehicle is found offered for sale on the public roadside at any time in the future, it will be removed by the County Council in accordance with the provisions of the Roads Act and stored for a maximum of six (6) weeks, before being disposed of.
2. The council reminds persons seeking to reclaim the vehicle that the costs of removal and storage of the vehicle must be paid in full to the Council before the impounded vehicle can be released.
3. The Council will invite tenders from competent contractors for the removal and storage of such unauthorised vehicles and pending their formal appointment will make local arrangements for the removal of the vehicles.
4. The Council also invites the public **to do its part** in improving road safety by bringing an end to this dangerous practice by contacting Laois County Council's Roads Department with details of any such unauthorised vehicles that may come to the attention of the public.

Implementation of this policy to commence after the placing of a public advertisement. (see appendix 1)

Details of sample sticker is shown in Appendix 2.

Details of registered letter in shown in Appendix 3

**Unauthorised Vehicles on Public Road – Section 71 Roads Act 1993**

Laois County Council wishes to advise that it is an offence under the above Act to erect, place or retain a vehicle used for the purposes of advertising, the sale of goods, the provision of services or other similar purpose on a public road without the authorisation of the Roads Authority.

**This includes the placing of vehicles “For Sale” on the public carriageways.**

The owner of any such unauthorised vehicle is instructed to remove the vehicle **with immediate effect**. Failing such removal, the Council will, without further notice, arrange for the removal of the offending vehicle in the interests of public safety and amenity.

A vehicle removed and stored by Laois County Council under this Section shall be given to a person claiming it, but only if he makes a declaration in writing that he is the owner of the vehicle or is authorised by its owner to claim it, and pays the costs incurred by Laois County Council in removing and storing the said vehicle.

Laois County Council will retain any such removed vehicles for six (6) weeks. If at the end of this period the vehicle remains unclaimed and not removed, Laois County Council will dispose of the vehicle as authorised under the Act.
